Our New Year's Message

Is it just us or did someone steal a couple of months out of last year? As we enter 2005, we can't help feeling that each year flies by faster than the last. We continue to count our blessings, including our families, friends, clients and business associates, all of which provide us faith in the future. America's spirit is unrelenting and there's nowhere else we'd rather live.

All of us at Olaf Anderson & Son Construction hope you had a happy and safe holiday season and wish you a year in 2005 that fulfills all your dreams.
