

Another Successful Project

Choice Financial Group

Olaf Anderson & Son recently teamed up with the Choice Financial Group to build the company's new 45th Street South location. Choice Financial, with 10 locations in North Dakota, is a premier provider of financial solutions, including banking, insurance, investment and mortgage services. The company's recently opened South Fargo location is the only bank with drive-thru cappuccino service. Now that's a fresh approach to banking!

HTG Architects of Eden Prairie, Minn., provided the design for the project, which features detailed stone and masonry, along with multiple roof lines that draw attention to the building. Inside, attractive colors, accent lighting, soffits and rich quarter-sawn oak woodwork give the space a warm and inviting feel.
